1. Please provide a *general* description of your department's function:

The Academic Assistance and Tutoring Centers (AATC) is a large centralized academic support unit in Student Affairs. We exist to help undergraduate students thrive at UC Davis and beyond. We provide an inclusive and interactive environment where students participate in reinforcing and retaining knowledge in multidisciplinary writing, math and science through co-curricular academic services provided by both professional staff and peer tutors. We strive to support students in developing the academic competence and confidence that will empower them to succeed at UC Davis.

The campus returned to in-person services for 2021-22. The AATC continued to offer remote services as well as in-person academic support.
