Testimonial

*This event let me be **connected** with my own community. It brought me the **feeling of home**. I called my mom during the event and asked her for her recipes and that was such a **healing experience** for me.*

Testimonial

The SRRC is amazing. You build such a great community! Everyone is understanding and supportive. You learn a lot and you contribute a lot.

Testimonial

*As an intern for the SRRC, I was able to **develop professionally, socially, and logistically** in regards to programming while being able to empower the (Chi/Lat) Davis Community. Not only that, the SRRC team **allowed me to express my creativity** in regards to the projects that I was given all while I was able to improve my outreach and retention skills.”*

Testimonial

The SRRC has given me the outlet to be involved and support students from my own community. It has allowed me to **build a community** in a university that I initially felt I didn't belong in. My time at the SRRC has and will continue to be one of the **most influential periods** in my life.
