I. PREAMBLE

The Council on Student Affairs and Fees (referred to henceforth in the bylaws as “COSAF” or “the Council”) serves as the primary agency for channeling student input into decisions regarding the level and use of student fees that serve as the funding source for a variety of student programs, services, and facilities at UC Davis. It consolidates the charges of two former Administrative Advisory Committees: The Campus Unions Recreation Board (CURB) and the Student Service Fee Administrative Advisory Committee (SSFAAC). This Administrative Advisory Committee reports to the UC Davis Chancellor through the Vice Chancellor of Student Affairs and the Vice Chancellor of Finance, Operations and Administration department (FOA).

COSAF is one of 11 UC Davis Administrative Advisory Committees that provide an opportunity for faculty, staff, and students to participate in the governance of UC Davis. The Administrative Advisory Committees serve in an advisory capacity to address topics such as the arts, athletics, childcare, student services, research, transportation and parking services, and safety.

II. PURPOSE

COSAF was established to advise the Chancellor through the Vice Chancellor of Student Affairs and the Vice Chancellor of FOA on:

- The use of the Student Services Fee (SSF) and Campus Based Fees (CBF) as they relate to the need, quality, and efficiency of student support services and activities.
- The use of CBF in accordance with referendum language.
- The review and approval of annual CPI adjustments for CBF.
- The delivery of programs and services supported by SSF and CBF.
- The use, management and capital improvements of facilities funded by SSF and CBF.
- The level and use of student fee reserves.
- The review (at the request of the Vice Chancellor of Student Affairs or Vice Chancellor of FOA) of new referenda that have been proposed to or by the Vice Chancellor of Student Affairs and Vice Chancellor of FOA, prior to being put before the student body for a vote.

COSAF strives to maintain the maximum degree of accountability and transparency in the use of student fees.

IV. MEMBER SELECTION PROCESS

All students, staff, and faculty interested in serving will apply through the Administrative Advisory Committee Call for Applications for Membership, which occurs at the beginning of Spring Quarter, and is publicized through the Office of the Chancellor. A panel comprised of outgoing chairs, incoming chairs, and the Student Affairs CFO (Council Advisor) will review student applications for membership in accordance with the Principles for Membership Selection (see below). Screened undergraduate applicants will be interviewed, selected, and forwarded to the Vice Chancellor of Student Affairs no later than the 8th week of Spring Quarter. LSA/GSA/Professional School applicants will be selected and/or appointed by their respective associations and forwarded to the Vice Chancellor of Student Affairs no later than May 15th of each year. The Vice Chancellor of Student Affairs will officially appoint all members prior to the end of the academic year. Terms will commence on July 1 and end on June 30 of the following year (with the possible exception of transfer students). Voting members may serve for multiple terms but must go through the application process for each term.

Principles for Member Selection

Efforts will be made to select student members who:
   • Can provide a broad representation of UC Davis student interests/concerns.
   • Reflect the diversity of the UC Davis campus community.
   • Demonstrate an active interest in student programs and services on campus.
   • Are full-time students who are in good academic standing.
   • Are eligible to serve 2 or more years.

At least one space on the Council will be reserved for a transfer student. In order to give incoming transfer students an opportunity to apply and serve, it is possible that this member will not be appointed until Fall Quarter.
Selection of Co-Chairs
Each Spring Quarter, the outgoing Chairs and the Advisor will recommend to the Vice Chancellor for Student Affairs two of the voting student members to serve as Co-Chairs for the following year. Though both undergraduate and graduate members may serve as chairs, at least one of the co-chairs will be an undergraduate student for any given year. The Vice Chancellor, taking into consideration this recommendation, will appoint the Co-Chairs for a one-year period. The appointments will be presented to the COSAF voting membership for confirmation. A Co-Chair may serve no more than two consecutive years.

V. MEMBER COMPENSATION AND PARTICIPATION

Each Council Chair and voting member will be compensated at a rate determined by the Vice Chancellor of Student Affairs in consultation with Student Employment. Compensation will be paid according to the pay calendar relative to the member's employment status. Compensation rates will be reviewed for adjustment every three years.

Members will be expected to attend all meetings. Members may be excused from meetings for reasons of illness, family emergencies, or academic requirements, and must provide notification of absence to the Chair prior to the meeting. If a member has two consecutive unexcused absences or more than three unexcused absences in one quarter the Council may recommend to the Vice Chancellor of Student Affairs that the member be removed from the Council. If at any time during the academic year a member can no longer serve, he/she will notify the Chair in writing. The Chair, in turn, will advise the Committee Advisor, the Vice Chancellor of Student Affairs of the resignation and request that an alternate member be officially appointed to serve out the term of the person leaving the Council.

FACE/LEEAP: All voting members, including the co-chairs, will vote on CPI adjustments to the portions of the FACE fee for which COSAF has oversight: Multi-Use Stadium, Schaal Aquatic Center and Activities & Recreation Center. SASI: The CPI adjustment is automatic per the language in the referendum. COSAF will not vote on the CPI adjustment, however, will provide advice regarding the use of SASI revenue by the department recipients.
CEI:  All voting members, including the co-chairs, will vote on CPI adjustment.  Graduate, Professional and Law students will only vote on the portions of the CEI fee for which the group they are representing pay.  Graduate, Professional and Law votes will be grouped with the undergraduate vote to determine the outcome.  Undergraduates will vote on all components of CEI.

Staff Voting Members will be excused from voting when a vote involves a department they represent.
