

Student Programming Fund Allocations 2022-23

| Assigned Application No. | Title | Amount Requested | <u>Budget Line Item #'s Approved or ALL</u> | Notes | Total Amount Approved |
|--------------------------|---|------------------|--|---|-----------------------|
| SP042 | Urbansitter.com Gift Cards | \$1,500 | all | Doubled the funding, as this is a crucial service and a great program. | \$3,000 |
| SP043 | Spring Reentry Retreat | \$6,147 | Adjusted line item #25 to \$750 | The presentation helped us see the value of the magician. We suggest surveying the students regarding what "giveaway" item they would find useful as the bullet journal is a very specific type of journaling style. | \$5,772 |
| SP044 | HackDavis 2023 | \$50,000 | Funded line items; #1,#2,#3, #19 & #25. Didn't fund line items #31 & #7, and partially funded line items #8 & #9 | Funding the venue, wifi, marketing prizes and portion of food. Did not fund transportation as our understand is that is for non-UC Davis students. | \$40,400 |
| SP045 | Involvement Fair 2022 | \$5,964 | all | A great event supporting a diverse and large student population. Could this be transitioned to core funding since it's an annual event by CSI? | \$5,964 |
| SP046 | Women's Esports Boot Camp | \$10,000 | Funded the facility, not the food or goodie bags | Funding the venue, not that food or goodie bags as information supporting those was weak. We'd like to see female representation in the planning for the event. Suggest that a nominal fee is charged to participate so participants are committed. | \$2,600 |
| SP047 | Undergraduate Research Scholarship & Creative Activities Conference | \$9,775 | all | UC Davis is a research institution, so this is a great event for students. | \$9,775 |
| SP048 | Professional Development Resource Fair | \$8,500 | all | Great event, and the presentation helped highlight the importance of the professional photo offered. | \$8,500 |
| SP049 | Aggie House | \$41,360 | all | Great resource for students. Impressive to see how far it's come in such a short time. | \$41,360 |
| SP050 | Aggie Donate | \$3,000 | all | A great idea, and one we're excited to see offered. | \$3,000 |
