WHY do we need LNCE at UCD?

- Students wanted something to do
 - “More non-food, non-alcoholic entertainment would be amazing for many”
 - “Advocate for more activities to do at night besides drinking/bars. There’s really not anything else”.
- Need more variety/ more inclusive events
 - Current events: Lawntopia, Theater, Glow Run

- Students decide!
 - In all aspects of implementation – surveys, planning, marketing, giveaways, food etc.

HOW will we use the funding?

Examples of major funding categories

- Location (eg. room rental)
- Equipment (eg: tables, chairs)
- Movie License
- Promotional items
- Other giveaways
- Food
- Marketing (eg. Facebook post boosts)
- Student staff pay (if any)

WHAT if LNCE is not fully funded?

- SHCS is committed to funding one event per year
 - De-stress for Success
- With no funding, other events cannot take place
- With partial funding, we could offer events without food or without incentives etc.
 - Will impact attendance
 - “Thanks for the snacks!”
 - “Thanks for the freebies!”
