

# Council on Student Affairs and Fees (COSAF)

October 15, 2021

11:30 am – 1:00 pm

*Bruce Edwards Club Room, UC Davis Health Stadium*

## Meeting Notes

---

### 1. Lunch / Welcome / Introduction of Newly Attending Ex-Officio Members

*Ariana Williams, Immediate Past Co-Chair*

- Kabir Sahni, ASUCD Senate Appointee
- Maahum Shahad, ASUCD Senate Appointee

**Ariana.** Today we will have our final presentation for the FACE/LEEAP fee from Intercollegiate Athletics, followed by a tour of the facilities funded by FACE/LEEAP. The upcoming slide presentation is in your packets, so please be sure to take any notes. At our next meeting, we will be voting on a CPI recommendation and asking voting members for written comments on all presentations. This will be administered with a Qualtrics survey during the meeting, so you will want to reference your notes.

### 2. FACE/LEEAP Presentation:

[Intercollegiate Athletics](#)

*Rocko DeLuca, Athletics Director*

- [FACE/LEEAP Template - ICA](#)

12:00 – 12:05, Question/Answer Session

**Q.** Calvin. You mentioned the Edward Family Athletic Center. I saw on your website that it is going to cost around \$52 million and that you paid \$51 million. Where are you getting that \$51 million from?

**A.** Rocko. That is part of our funding. We raised \$13 million of that, and with the partnership of UC Davis Health, they have contributed some of that and campus bought us out of our building at Cowell to form a Student Health Center on campus so we were going a trade for that building.

**Q.** Calvin. So are any student fees going to this?

**A.** Rock. No

**Q.** Calvin. Okay, what about the other \$1 million, where is that going to come from?

**A.** Rocko. We haven't updated that because we are still working on the fund raising. We have exceeded the goal, we just haven't updated it yet.

**Q.** Patrick (*inaudible*)

**A.** Anissa (*not fully audible*)

**Q.** Megumi. I was just curious, how long will the life of the next turf be?

**A.** Rocko. We're hoping that's going to be 10 years.

**Q.** Calvin. The last time there was a game at this stadium how many of them were current students in the audience out of the community?

**A.** Rocko. The last game we played was over 5,000 students and probably about 7,000 community members.

**Q.** Calvin. What is the capacity of the stadium?

**A.** Rocko. That's a work in progress. If you look on our website it's 10,722 but there were over 11,000 last game and thanks to the berms there's a lot of room. For Eastern Washington in 4 weeks from now on the 13<sup>th</sup> of November and Sac State, those two games we're going to push the envelope as far as we can so we might get up to 13,000. Our team is 13<sup>th</sup> in the country right now. We've actually had record pre-sells.

**Mai.** For any other questions, you can ask on the tour.

### 3. Announcements

#### *Co-Chairs*

- Biweekly timesheets are due today by 5:00 pm (See Sheila with any questions)
- Next regular meeting: October 29:
  - Subcommittee Updates
  - FACE/LEEAP Council Discussion and CPI Recommendation Vote
