

Council on Student Affairs and Fees (COSAF)

March 8, 2024

11:30 am – 1:00 pm

Memorial Union Mee Room, 3rd Floor

Meeting Notes

1. Welcome / Lunch

Co-Chairs

- Today we will have 9 presentations for **Student Programming Fund proposals**, and also complete our review of the **Unitrans Fee** with a full council discussion.
- Due to the number of presentations today, we will not have time for Q&A, however, if you have questions for the presenters, you are welcome to email Tristan or myself, and we will try and get those answers for you.
- As a reminder, these proposals are for event/programs taking place next year. Please be sure to take notes, as the survey following our meeting will ask for your input on each presentation. This feedback will then be provided to the subcommittee when they are considering final allocation amounts.
- This is round #1, and we will have additional presentations when we return in April.
