CoHo

HISTORY

- Established in 1968 by the Associated Students of the University of California at Davis (ASUCD)
- Founded by students with the idea of creating a small retail eatery that would provide high quality food and offer an environment where students could relax between classes
- Began with a $25,000 operating budget and only student employees
- Multiple relocations and renovations as growth has occurred
CoHo VALUES

- To provide the highest quality of food at the lowest possible prices
- To offer food with an emphasis on freshly prepared, natural and ethnic specialties
- To offer service during non-peak hours when all other food services are closed
- To foster an atmosphere of concern and responsiveness to ecological practices
- To support other ASUCD activities
- To employ students to the maximum extent possible
CoHo FACTS

➢ Seven service platforms with over 450 different menu items

➢ Approximately 7500 customers served on a daily basis

➢ 425+ student employees, including cooks, cashiers, servers; student supervisors and managers

➢ Majority of menu items made from scratch (CoHome-made) by student cooks

➢ Robust student employee job skills training
