Center for Student Involvement (CSI)
COSAF 2022
Student Service Fee Presentation

Dr. Kristin Dees
Director
Mission:

The Center for Student Involvement empowers students to get involved and to author their own experience through meaningful co-curricular engagement. We purposefully cultivate an environment that enables students to access the resources they need to develop a sense of belonging while discovering their passion.

About Us:

We serve as the primary contacts for Registered Student Organizations (RSOs). Additionally we advise Club Finance Council (CFC) and each of the six governing sorority and fraternity life councils. CSI staff assists these organizations with funding, event planning, leadership development, organizational growth and management, and more. Our office also serves as the primary contact in Student Affairs for freedom of expression response, consulting, and advocacy.

*Fixed Cost account is not an account I as the Director of CSI have agency over (Common Good Assessment, Shared Service Organization Assessment, Office of the President Tax, Divisional Resources MOU, and $102,000 for AggieLife Platform) but an account the Division of Student Affairs sets aside for these annual charges.

**In 2020-2021 we used different kind of funds for the CSI operational costs that is why actuals are significantly different. Built up the reserves due to the pandemic and costs of in-person programming.
