

Camperships

From UC Davis Youth Programs

Who We Are:

- ❖ UC Davis Youth Programs is a unit of Campus Recreation
- ❖ Focus on providing high quality camp programming to local youth
- ❖ All of our staff are current UC Davis students
 - We are the only UC that hires 100% of their staff from their schools current student population
- ❖ We also work with the Transfer and Reentry Center to provide childcare during events once a quarter

What Are Camperships?

- ❖ Camperships are scholarships that we provide to UC Davis student parents to help lower the cost of attending our programs
- ❖ Student parents would be able to apply for either (Depending on available funding):
 - A specific program and receive the full tuition for that program
 - Or
 - A general scholarship which would be a predetermined amount (Most likely Between \$200 - \$300)
- ❖ Campership applications would be available from 1/5 - 2/13

Why Support Camperships?

- ❖ Camperships would provide UC Davis student parents the opportunity to attend our programs while removing the financial barrier
- ❖ Increased number of student parents who attend our programs gives us a new user base
- ❖ Increased user base allows us to provide more UC Davis students with positions during the summer

What We're Asking For:

- ❖ \$5,000 for student parent full scholarships
 - We would be able to run a partial scholarship program with at least \$2,000
- With \$5,000 we would be able to provide 15 student parent's with full scholarships for 1-week of programming
- Every dollar we are awarded would be redirected to student parents
 - All costs for marketing, selecting applications, coordinating with student parents, etc... would be paid for from Youth Programs existing budget

Thank You For Your Consideration! Questions?
