## 2. Please describe the department's programs, services and/or facilities funded by SASI:

ICA uses SASI funds to support our 25 varsity athletic teams, including sport operating expenses such as team travel, equipment, home game expenses, medical related expenses, and coach salaries.

## 3. Please provide information on any substantial variance between 2021-22 and 2022-23:

Only significant increases in FY23 over FY22 would be inflationary pressures on operating costs such as team travel expenses. Other increases over FY22 are standard annual adjustments such as career staff pay increases.

4. Does this department plan to use any SASI funds for items not intended by the referenda? If so, please explain:

No

5. If applicable, please provide plans for use of reserves listed in section #1f:

N/A - minimal

6. Please describe the need for a consumer price index (CPI) adjustment and include the departmental plan if CPI is not applied next academic year.

The annual CPI increase is needed to cover inflationary cost increases for programmatic expenses such as travel and equipment, as well as inflationary salary and benefit increases. Not receiving the CPI increase would result in ICA needing to reduce programmatic expenses or leave critical positions open.

7. Is there information this department would like to provide regarding the scope of student use of the programs/services/facilities funded by SASI?  
*(Please limit your response to those items funded by SASI.)*

UC Davis Athletics sponsors 25 varsity sport programs at the NCAA Division 1 level; 16 for women and 9 for men. With over 650 student-athletes, UC Davis is one of the largest athletic programs in the country. With six national conference memberships, UC Davis' competitive footprint spans coast-to-coast. While conference competition is primarily centered in California, our athletes, fans, alumni and stakeholders represent a global community that provides partners exposure far beyond the Davis market. The success of our athletics programs has been used as a platform to broaden public understanding about the quality of our academic programs at UC Davis.

On an annual basis, students attending home athletic contests total over 40k for all sports with Baseball 6k, Football 15K, and Men's Basketball 12k leading the student-engagement numbers; all sports have student attendance, including over 1000 students for home Women's Soccer, Basketball, Softball and Gymnastics.
