2. Please describe the department's programs, services and/or facilities funded by SASI:

ICA uses SASI funds to support our 25 varsity athletic teams, including sport operating expenses such as team travel, equipment, home game expenses, medical related expenses, and coach salaries.

3. Please provide information on any substantial variance between 2020-21 and 2021-22:

In 2020-21, normal athletic operations were altered due to the impact of COVID-19, including no fall competitions. Additionally, ICA lost about \$3M in generated revenues (game guarantees, ticket revenue, NCAA revenues, sponsorships), but also achieved significant savings in team travel and other areas. As the savings were generally in areas that traditionally were funded by SASI (i.e, team budgets), and the lost revenue generally in areas not funded by SASI, the breakdown of expenses in 20-21 by category is different than it was in prior years; we anticipate 21-22 to breakdown more similarly to historical norms.
