

Impact Statement 2016-2017

SHCS MISSION - is to enhance the physical and mental health of students in order to help them achieve academic success, personal development and lifelong wellness by providing an integrated program of quality, accessible, cost and sensitive and confidential healthcare services, tailored to their unique and diverse needs and to assist the University community, through consultation and education, to develop a healthy campus environment consistent with UC Davis "Principles of Community". UC Davis Student Health and Counseling Services or SHCS provides a wide variety of medical, mental health and wellness services to all registered UC Davis students regardless of insurance coverage.
