FACE Funded Facility Enhancement Projects in Planning

- Repaired Dairy Field Basketball court lights, Tennis court lights, and Howard lights
- Lights on Russell Field
- Turf a portion of Hutchison Field
- Discussion phase for additional MAC gyms and basketball courts

- Goal of projects
 - Increase practice space after 5 p.m. when students are available
 - Increase options for our teams with 150 plus students to have space to practice and compete as we are extremely limited
 - Increase rec sports programming and team availability
 - Risk mitigation for injuries and concussions
 - Informal recreation space for students to play
